

Turrell Child Care & Early Learning Center is a division of Children's Aid and Family Services, a leading nonprofit human services agency. Since our establishment more than 35 years ago, the Turrell Center has become Bergen County's center of choice for thousands of families. We are centrally located just off Route 17 in Paramus and are open Monday to Friday 7:00 a.m. – 6:30 p.m. We offer full and part-time schedules.

ABOUT CHILDREN'S AID AND FAMILY SERVICES

Since 1899, Children's Aid and Family Services has been one of northern New Jersey's leading non-for-profit human services agencies. The agency's services include adoption, foster care, elder care, child care and early education, community programs, counseling, and crisis response.

The **Turrell** Center is located at 200 Robin Road, in Paramus, NJ. For more information or to take a tour, please call 201.261.5970, or e-mail childcare@cafsnj.org. Visit us at <http://turrell.cafsnj.org>.

SERVING CHILDREN 8 WEEKS – KINDERGARTEN

COME SEE WHY WE'RE DIFFERENT

What do a doctor at Duke University, an investment broker in New York City, and a social worker from New Jersey have in common? All three highly successful individuals benefited from an education that began at Turrell Child Care & Early Learning Center.

What makes this affordable childcare center so unique is a nurturing approach to enriching a child's most formative years. Teachers who are passionate about sparking the imagination, and building a true connection with your child work together with your family to help your little one reach his or her potential. From that starting point, a strong foundation is in place for a lifetime love of learning.

WHY MORE FAMILIES ARE CHOOSING THE TURRELL CENTER

Since its inception more than 35 years ago, the Turrell Center has provided a warm, secure and positive environment in which children can explore, learn, and flourish. A fully licensed, accredited, non-profit childcare center, the Turrell Center has become the choice of many Bergen County families for myriad reasons: its solid reputation, highly experienced staff, and mindset that contradicts that of many childcare center chains and corporations. Simply put, the Turrell Center sees itself not as a business, but as a family – with the responsibility to care for and nurture each and every one of its children.

WHAT'S IMPORTANT TO YOUR CHILD IS IMPORTANT TO US

Upon entering the bright, spacious classrooms, children instantly feel welcomed to join activities designed to help them grow both socially and developmentally. That children feel accepted and appreciated for who they are is of the utmost importance to the staff at the Turrell Center; this is one of the critical keys to building self-confidence and self-esteem.

Just as the Turrell Center's highly engaging – and highly effective – educational techniques and tools nourish young minds, freshly prepared meals and nutritious snacks also provide vital nourishment. Countless other ways of nurturing continue in the children's book and toy libraries, state-of-the-art playgrounds and large indoor gym. Other special amenities include a dedicated indoor infant playroom, enrichment programs and parenting workshops – all of which are provided to give families the support they need while juggling the demands of work and home life.

THE SECURITY IN KNOWING YOUR LITTLE ONE IS SAFE

At the Turrell Center, children are supervised at all times, indoors and out. Parents have peace of mind knowing that playground areas and the parking lot are security-controlled and patrolled, with proper identification required for entry.

The Turrell Center's staff is fully trained in CPR and first aid, and, in keeping with its policy of prioritizing the security and safety of the children in its care, maintains a close relationship with the Paramus Office for Emergency Preparedness.

WHAT MAKES YOUR CHILD UNIQUE IS PRECISELY WHAT WE FOCUS ON

A hands-on approach to learning is the mainstay of a curriculum that engages and excites little ones to grow and develop. Age-appropriate programs combine academic, emotional, physical and social learning. Children learn quantitative concepts, language, music, art and rhythm to build fine and large motor skills, as well as social skills.

The Turrell Center's teachers focus on the unique abilities and needs of each and every child, building upon his or her strengths and helping overcome any challenges.

Every classroom is equipped with "Young Explorer" computers that provide age-appropriate educational activities and games, and a variety of enrichment programs, such as music, gymnastics and Spanish are also offered.

PEACE OF MIND FOR YOUR FAMILY... FROM BABYHOOD AND BEYOND

Whether you have a 2-month-old infant who needs tender loving care, a 3-year-old who is preparing for independence or a kindergartner who must learn elementary school fundamentals, the Turrell Center offers a high-quality, early educational experience to all.

For infants 8 weeks old and older, Turrell's nurturing "home away from home" rooms are beautifully equipped with rocking chairs, cribs and age-appropriate toys to make your baby happy and as comfortable as possible. As cleanliness is paramount to your child's health and well-being, all equipment is cleaned and sanitized throughout the day. Furthermore, to ensure your child grows and develops at his or her own pace, the Turrell Center staff allows your infant or toddler to follow his or her own individual schedule.

The vast majority of children who enter the Turrell Center at infancy stay through pre-K, and many of their parents report they continue to excel in school after graduating. We also offer full-day kindergarten and a summer camp program.
