

MISSION OF IN-HOME SUPPORTS:

We empower and serve individuals in need of specialized supports through innovative services that improve their ability to live fulfilling lives in the community.

CHILDREN'S AID AND FAMILY SERVICES BELIEVES:

Every person and every family has the strength to make positive changes;

Quality of life is the most important factor in planning ways to support, help, and protect the child and his or her family;

In a person-centered philosophy of service;

Every child is unique and he or she has the right to make choices regarding his or her own life;

Every child deserves a place where he or she can love, be nurtured and have the opportunity to make meaningful contributions;

The best services for families are respectful of the families' cultural beliefs, values and practices.

ABOUT CHILDREN'S AID AND FAMILY SERVICES

Since 1899, the agency has served some of the most disadvantaged, medically needy and traumatized children in New Jersey. We have a track record of providing innovative solutions to the problems faced by these children. Our mission is to preserve, protect, and when needed, provide families. Intensive Behavioral Supports for Developmentally Disabled Children and Their Families

IN-HOME SUPPORTS HELP THOSE CHALLENGED BY DEVELOPMENTAL DISABILITIES TO:

- Set and meet personal goals.
- Become active members of their communities.
- Foster independence and encourage personal growth.
- Manage daily care routines.

LEARNING LIFE SKILLS

In-Home Support Caregivers provide individualized support for children with developmental disabilities, helping them to set personal goals and learn the basic skills of day-to-day living. Ultimately, the program is intended to encourage personal growth and teach recipients to become contributing and active members of their communities. We seek to improve care recipients' overall quality of life, as well as support the entire family in this endeavor.

WHO WE SERVE

This program will serve children and young adults ages 6 through 21 while they are covered by their educational entitlement.

In-Home Support Services are provided in counties throughout Northern and Upper Central New Jersey.

Children are referred to the In-Home Supports Program through the Regional Office of the New Jersey Department of Human Services Division of Developmental Disabilities.
