

At Children's Aid and Family Services, we have always worked to strengthen families, because a community is only as strong as the families who live there.

How You Can Help

Your gift will help us provide vital services and care for some of the most vulnerable members of our community. It will help us to:

- Purchase vitally needed community homes.
- Upgrade and renovate homes (e.g., handicap ramps and handicap accessible bathrooms, perform major repairs, and paint and refurbish).
- Add and maintain colorful and stimulating multi-sensory rooms.
- Provide therapeutic, social and recreational activities that play an important role in helping those we serve to live richer, fuller lives.

You can make a difference!

Please contact our Development Office at 201-261-2800 to discuss the many gift-giving opportunities available.
